

Dec 3rd 2024

To Our Customer,

In response to your request for information regarding *Commission Regulation (EU) 2022/586 of June 14th, 2023 amending Annex XIV to Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)* to the best of our knowledge, all Price Engineering assemblies, components and distributed products do not contain REACH (SVHC) Substances of Very High Concern as defined in Article 33 (1) and (2) EC Title VII, Chapter 1 Article 57 & Annex XVII.

<https://echa.europa.eu/candidate-list-table>
Date of inclusion 07-Nov-2024

EU customers importing articles containing more than .1% by weight of any substance on the above mentioned SVHC candidate list, may need to comply with the special reporting requirements.

Please be advised that we do not analyze for these substances.

The information provided in this letter is based upon technical data and certifications from our vendors believed to be reliable and accurate. Price Engineering **will not fill out paperwork on an individual part basis**. This letter is to certify that all Price Engineering assemblies, components and distributed products meet the above requirements.

Updates to this letter will be posted to our website – www.priceeng.com

Regards,

Matthew Ray
